Efforts to Meet Country's Financial Situation Not Favored by Wilson

(BULLETINA) BY JACK ROYLE

MARION, O., Dec. 23 .- Form finance. practical politics and cabinet appointments filled the program of discussions between Senator Harding and his visttors today. Those visitors included. among others, Myron T. Herrick, of ander to France, Fred W. Upham, treasurer of the republican national committee and Harry M. Daugherty. one of the president-elect's closest political advisers.

Herrick is regarded as an authority on rural credits. To him many of the details of the farm loan act are atder at Paris in the early days of the great war, has given him a close insight into European conditions and his name has not been absent from the varying lists of cabinet possibili-

BY J. BART CAMPBELL

WASHINGTON, Dec. 23 President Wilson will veto the omnibus tards bill levying duties on agricultural products passed by an overwhelming admitted that he voluntarily had given also passed by the senate and sent to marry Raoul Fleischmann, former colhim, according to intimations con- lege chum and life long friend of Botsveyed to certain democratic leaders ford. of the benate today.

been in close touch with the White House, since the bill was reported facommittee, in an effort to ascertain mana.55 the president's attitude.

While no official statement on the subject has been forthcoming from White House it was authoritatively stated at the capitol by democratic the way it was. senators in a position to ascertain the president's views regarding prosper tive legislation that the president was not in sympathy with present congressional efforts to meet the country's fi nancial and economic situation.

resolution reviving the war finance corporation passed by congress recently, is still being awaited with undisguised interest. With both the the measure back to congress with his

house was anticipated, in view of a coalition formed between representatives from agricultural states, irit will undergo "rough sledding" atter it reaches the senate today, it was predicted by both democratic and republica asenutors strongly opposed to

The senate is expected to do nothing with the bill today except to refer it to the sanate 'finance committee. Senator Simms, of North Carolina and Senator Hitchcook, of Nebraska, are among the democratic leaders, insist the bill must take its regular course and other democratic senators will ombat any move to rush it through that body without "due consideration

While the bill's supporters in the senate claim to have enough votes to pass it. its passage by that body before the Christmas and New Year holidays is considered remote by leaders on both sides of the upper cham-

The senate plans to recess today untel Monday and from Monday to the succeeding Thursday and again to the following Monday, so as to give its members ample time to celebrate the advent of Christmas and the New Year,

GARY POLICE

Cary which has resulted in a number of store robberies, house burglaries and several daring holdups. Chief of Police Forbis yesterday gave instructions to throw out a dragnet over the city and bring in all suspicious looking charac-

Although the clean-up only resulted in the arrest of several vagrants during the night, the solution of several of the crimes is expected hourly. Following close on the heels of the order several stores were entered and rebbed during the night, a store owner boat off a bold and armed negro highwayman and this morning an attempt was made to stick up a Broadway store, in the

We will have to have some co-opcity before we can put a stop to some of these store robberies," said Chief Forbis to a Times reporter this morning. "The owners of two stores that
